# LAPSI2.0

Access to environmental information after the INSPIRE directive:

What has changed?

Katleen Janssen, ICRI – KU Leuven – iMinds

# Information and Communications Technology for Environmental Regulation

## LAPSI 2.0

#### **INSPIRE**

Infrastructure for spatial information in the European Community

## Background

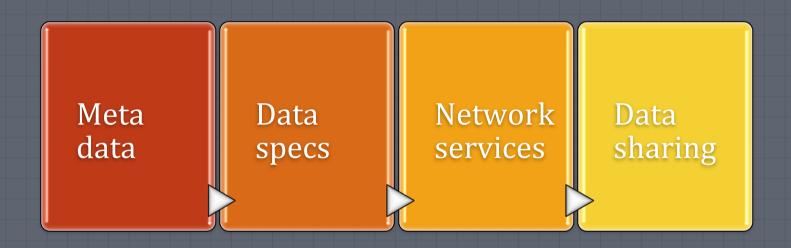

Need for cross-border availability of geographic data

### INSPIRE

O Infrastructure for sharing spatial data for performing public tasks with an impact on the environment

### Impact

#### Increase in the availability of spatial data

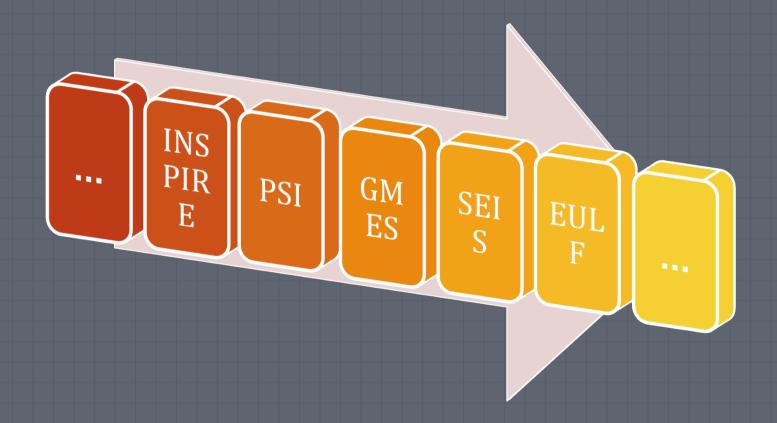

- Data easier to find
- Data accessible online
- Data and services increasingly interoperable

#### Limited success

- Focus on technical aspects
- Charging and licensing issues remain
- Culture change requires time

## Policy evolution

Open data
